### DETAILED ACTION

1. Independent claims 1 and 16 have been amended to include the allowable subject matter indicated in the previous office action and now stand in condition for allowance. Dependent claims 2-5, 7-12, and 19 also stand in condition for allowance. Cancellation of claims 15 and 20 is acknowledged. Cancellation of claims 6, 13, 14, 17, and 18 was acknowledged in the previous Office Action. New claims 21 and 23 depend from claim 16 and therefore stand in condition for allowance. New claim 22 includes all of the limitations of claim 1, but with the additional feature that either the first or the second reflective surface can be the "side wall of the housing or (the) interior surface of a cover of the housing." Hence, claim 22 stands in condition for allowance.
2. The drawings filed March 1, 2002 are accepted by the examiner.
